

REMARKS

Entry of the foregoing amendment is respectfully requested as it is believed to place the claims in better condition for appeal.

The above changes are proposed to correct obvious informalities in claims 46 and 55. In the Amendment dated April 30, 1992, claim 38 was cancelled and claim 59 added in lieu thereof. The dependency of several of the claims was amended, however, amendment of claims 46 and 55 was inadvertently omitted.

Prompt action on this request by the Examiner is respectfully solicited because applicants intend to appeal the rejections, and the amendment puts the claims in better condition for appeal.

If there are any fees due in connection with the filing of this Amendment, the Commissioner is authorized to charge any such fees to Deposit Account No. 06-0916. If a fee is required for an extension of time under 37 C.F.R. § 1.136 not accounted for above, such an extension is requested and the fee should also be charged to our deposit account.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
